

GWTP Garden Competition 2008

During the last few months we held our fifth Annual Garden Competition with the assistance of GHA's Neighbourhood Regeneration Team, the competition concluded with a prize giving held in the Blairdrum Centre.

Many of our residents participated in the competition and the results were impressive. Over sixty gardens were nominated, with prizes being allocated to over twenty winners.

Nominations were received from local resident associations, GWTP staff and local residents. Prizes were allocated to the top three gardens within each area of the local housing organisation; all winners were considered for the overall winner award. (Wallace Carpenter Trophy) This years overall winner was Mrs Haldane (pictured on the left) who reside at 24 Dorsk Avenue. Great Western Tenant Partnership would like to thank all residents who make a positive contribution to the upkeep of their respective neighbourhood.
